COMES NOW Linda J. Dimke sitting in the court at Yakima, Washington, on the 23rd day of December 2020, under the following conditions:

Standard Condition #9: Defendant shall refrain from use or unlawful possession of a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a licensed medical practitioner in conformance with Federal law. Defendant may not use or possess marijuana, regardless of whether Defendant has been authorized medical marijuana under state law.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

Violation #1: Mr. Hammer is alleged to be in violation of his pretrial release conditions by consuming methamphetamine on or about December 29, 2020.

Conditions of pretrial release were reviewed and signed by Mr. Hammer on December 23, 2020, acknowledging an understanding of his requirements to include standard condition number 9.

On December 29, 2020, this officer was contacted by Merit Resource Services (Merit) advising Mr. Hammer submitted a urine sample which tested presumptive positive for methamphetamine. The Merit staff member stated they would send it to Alere Toxicology Services for confirmation. Mr. Hammer also signed a denial of drug use form while at Merit. Results from the urine sample collected on December 29, 2020, were received from Alere Toxicology Services on January 4, 2021, confirming positive for methamphetamine. Mr. Hammer denies any methamphetamine use since his release.
